Supplier must state clearly in column (3) the rate at which each article can be supplied and delivered free of transit charges at Parks and Gardens, Mysore, during the period of contract, furnishing samples thereof.

6. Each tender should be prepared and sent to the official address of the undersigned on or before the due date the prescribed Departmental Tender Forms only. If it is not cordingly received in conformity with the following conditions, it will not be considered and shall be rejected without intimation.

7. The rates should be quoted for the unit as detailed in the schedule and should not be altered according to the price of the tenderer.

8. The total amount of cost against each item should be entered in the last column under "Total amount" calculated with reference to the approximate quantity given in column No. 3.

9. Tenders will be opened by the Superintendent, Government Gardens in Mysore, Lal-Bagh, Bangalore, in the presence of such of the tenderers who happen to be present at the time.

10. The successful tenderer will be required to execute a contract bond on the usual Government Stamp Paper within a week from the date of acceptance of tender, binding himself to the conditions for the fulfilment of the contract, which his earnest money will be forfeited to Government and his tender rejected.

11. The deposit of the unsuccessful tenderers will be arranged to be refunded in due course and the earnest money of the successful tenderer at the end of his contract period.

12. No advance of cash will be made to the contractor. Payment for the articles supplied will be arranged on receipt of a bill in duplicate.

13. No application from the contractor for any sort of concessions whatever on account of rise in the price of articles in the market due to scarcity or other causes will be considered.

14. The contract should not be sublet.

15. If the stipulation of the contract be frequently violated, the Superintendent, Government Gardens in Mysore, Bangalore, will annul the contract and the earnest money deposited will be forfeited to Government and the tenderer will be liable for any loss that the Department will have incurred consequent on the purchase to be made elsewhere.

16. The supply should be delivered in time as per schedule sent by the Garden Assistant to any place in Mysore free of delivery charges.

17. The contractor should be prepared to supply any other articles not noted in the schedule at reasonable market rates whenever they are required.

18. All articles should be of the best sort and any articles rejected on account of inferiority should be promptly replaced by the articles of the required quality. Otherwise they will be purchased by the Garden Assistant, Parks and Gardens, Mysore, elsewhere and the charges debited to the contractor.

19. The quantities noted in the schedule are only approximate and not guaranteed, and the contractor should be prepared to supply more or less according to requirement.

20. Samples of articles should be produced, and the supplies should be made according to approved samples on orders issued.

21. Specific rates must be quoted against the articles. The words 'Market Rates' should not be put in as they do not mean and signify specific and final rates.

22. If the contractor after undertaking the contract is not willing to carry out his agreement, he shall give a month's notice and shall forfeit the earnest money to Government.

23. The Superintendent, Government Gardens, will be at liberty to purchase any of the articles covered up by this order during the period of the contract from any other government firms or firms approved by the Government or the Purchase Committee.

The tenderers should quote their best billing rate, f.o.r. Talaguppa which should be firm for a period of one month from the date of tender. The rates should be quoted both in word and figures. The offer should be for supply from ready stocks. If not, the earliest period of time required to effect delivery may be specified.

No enhancement in rates for whatever cause will be allowed when once the quotation is accepted and the order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified therein.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the Department for local purchases.

The tenders should be superscribed as "Tender for Electrical and Hardware Materials" to be opened on 23th May 1949.
